*Greet One Another

*Praise Song - "You Are My King (Amazing Love)"

I'm forgiven because you were forsaken. I'm accepted; you were condemned.
I'm alive and well, your Spirit is with in me because you died and rose again.
Amazing love, how can it be that you, my King, would die for me? Amazing love, I know it's true; it's my joy to honor you. In all I do I honor you.

*Praise Song - "In Christ Alone"

In Christ alone my hope is found; he is my light, my strength, my song—this cornerstone, this solid ground, firm through the fiercest drought and storm.
What heights of love, what depths of peace, when fears are stilled, when strivings cease. My comforter, my all in all, here in the love of Christ I stand.
No guilt in life, no fear in death, this is the power of Christ in me; from life's first cry to final breath, Jesus commands my destiny. No power of hell, no human plan, can ever pluck me from his hand; 'til he returns or calls me home, here in the power of Christ I'll stand!

*Praise Song - "Shout to the Lord"

My Jesus, my Savior, Lord, there is none like you. All of my days, I want to praise the wonders of your mighty love. My comfort, my shelter, tower of refuge and strength, let every breath, all that I am, never cease to worship you. Shout to the Lord, all the earth, let us sing—power and majesty, praise to the King. Mountains bow down and the seas will roar at the sound of your name. I sing for joy at the work of your hands: forever I'll love you, forever I'll stand. Nothing compares to the promise I have in you.

HEAR THE WORD OF GOD

Prayer/The Lord's Prayer

Our Father, Who art in Heaven, Hallowed be Thy Name. Thy Kingdom come, Thy will be done on earth as it is in Heaven. Give us this day our daily bread, and forgive us our debts, as we forgive our debtors. And lead us not into temptation, but deliver us from evil. For Thine is the kingdom, and the power, and the glory forever. Amen.

Scripture - John 6:35-69

The Yankton Area Literacy Council provides a program entitled "Math is Fun" to elementary students in the Yankton School District. Volunteers work with children for 1 hour, from 3:30-4:30 PM each week to help them improve their addition, subtraction, multiplication, and division skills. A lot of our work is done with flash cards. When needed, we also provide assistance with time-telling and money counting skills. We are in need of tutors for each of the 4 elementary schools. Tutoring begins the first week of October through the first week of May. Many tutors are retired volunteers and are absent from time to time for travel or being with family. We work around those schedules. If you think you could help a child improve his/her math skills, or if you have questions about the program, please call the Yankton Area Literacy Council (605-760-4803) or Patty Stuelpnagel (605-660-1088).
