*Greet One Another

*Praise Song - "Spirit Song"

O let the Son of God enfold you with His Spirit and His love, Let Him fill your life and satisfy your soul. O let Him have the things that hold you and His Spirit, like a dove, will descend upon your life and make you whole.

REFRAIN: Jesus, O Jesus, come and fill your lambs.

Jesus, O Jesus, come and fill your lambs.

O come and sing this song with gladness as your hearts are filled with joy. Lift your hands in sweet surrender to His name. O give Him all your tears and sadness, give Him all your years of pain, and You'll enter into life in Jesus' name. *REFRAIN...*

*Praise Song - "You Are My King (Amazing Love)"

I'm forgiven because you were forsaken. I'm accepted; you were condemned. I'm alive and well, your Spirit is with in me because you died and rose again. Amazing love, how can it be that you, my King, would die for me? Amazing love, I know it's true; it's my joy to honor you. In all I do I honor you.

*Praise Song - "Shout to the Lord"

My Jesus, my Savior, Lord, there is none like you. All of my days, I want to praise the wonders of your mighty love. My comfort, my shelter, tower of refuge and strength, let every breath, all that I am never cease to worship you. Shout to the Lord, all the earth, let us sing—power and majesty, praise to the King. Mountains bow down and the seas will roar at the sound of your name. I sing for joy at the work of your hands: forever I'll love you, forever I'll stand. Nothing compares to the promise I have in you.

The Yankton Area Literacy Council provides a program entitled "Math is Fun" to elementary students in the Yankton School District. Volunteers work with children for 1 hour, from 3:30-4:30 PM each week to help them improve their addition, subtraction, multiplication, and division skills. A lot of our work is done with flash cards. When needed, we also provide assistance with time-telling and money counting skills. We are in need of tutors for each of the 4 elementary schools. Tutoring begins the first week of October through the first week of May. Many tutors are retired volunteers and are absent from time to time for travel or being with family. We work around those schedules. If you think you could help a child improve his/her math skills, or if you have questions about the program, please call the Yankton Area Literacy Council (605-760-4803) or Patty Stuelpnagel (605-660-1088).
